PASTOR'S MESSAGE

Greetings In Christ:

At the beginning of Lent, we often ask ourselves what we should do so that it may be a time of grace and conversion. We make some good resolutions, but unfortunately they often run out of steam. However, the most important thing is not what we do but what God wants to do for us. As long as we keep our hearts open to God and to his love, then there is already a good chance that Lent will bear fruit in our lives. To convert means precisely to turn one's heart back to God, turn one's eyes to Him, let one's ears listen to His word and obey His commandments.

During this season of Lent, let us "re-center" our lives on God, who takes the initiative to call us to conversion. We begin these 40 days of Lent together. Forty is a precious number in the Christian life. It is a reminder of the forty years the people of Israel wandered in the desert in search of the Promised Land. The forty days and forty nights of the storms and floods told in the story of Noah's Ark remind us of the purification and new life brought about by water. But most of all, it is the forty days that Jesus went into the desert before His public ministry which set the pattern for Lent. There He was tempted as He struggled to understand what He was being called to do, who He was called to be. You are invited to all the amazing and mysterious traditions and experiences that Lent 2020 has to offer. You are invited to turn back to God — who created you, who loves you beyond your imagination. You are invited to proclaim that Jesus is the way to life and to give your heart to Him. May God continue to bless your heart.

Your servant,
Rev. Sangman Shin, Pastor
