PASTOR'S MESSAGE:

Greetings in Christ,

I am still in Hawaii for my annual training. Hawaii is very peaceful and calm, so I don't feel any threat from North Korea or signs of preparation for war. Maybe some of you remember the history of Korean War. In 1950, when North Korea invaded South Korea, the Soviet Union and China supported North Korea. The United States and United Nations backed the South. Since the war concluded in 1953, the Korean peninsula has been divided into two countries, North and South. Thus, South Koreans do not like communism. When the North Koreans invaded South Korea, they spoke of "peace" and of reuniting the country, but the United States saw the work of the Soviet Union in this act of aggression. The USA was correct. My parents and grand parents were witnesses to this sad history because they experienced the Korean War.

Now many years passed since the Korean War, and we talking about peace between the North and South, but can we talk with the communists? I really want peace in Korean Peninsula and I know we all do. Thus I am very curious about the proposed meeting between President Donald Trump and North Korean leader Kim Jong Un. Officials will have to make one crucial decision that will frame the meeting for the world: where it will be located. Actually, I am wondering if we can trust communist leader Kim Jong Un as a peace partner? I hope and pray that this big deal between the two leaders brings big change, and the whole world will have peace.

Every morning, I hear the National Anthem at 8:00 a.m, and I realize how important keeping the peace is. Let us pray for world peace, and thank God for giving us great nation. Jesus said, "Blessed are the peacemakers: for they shall be called the children of God." Let us always try our best to be peace makers. Stay strong, everyone, until I get back. God bless all of you!

Your servant, Sangman Shin

BOARD OF TRUSTEES MESSAGE:

The work on Montessori School continues. Classrooms are essentially complete, and work was done on April 28th and 29th to upgrade the PCC playground, which Montessori students will be using after PCC classes are over around noon. Stop by and take a look at the playground, they have installed new play equipment and a state required mulch ground cover to replace the wood chips. It looks good, and will be an asset for both schools and the church.

As we move into warmer months, we will endeavor to keep our grounds as green as we can. The irrigation system continues to be a concern, aging pipes are springing leaks. Thanks to Brenda Walkiewicz for watering around campus, adding to the two days are sprinklers are allowed to operate.

As always, we ask that you contact the Board, or the Church Office, if you see any problems around campus. Together we can keep our facilities going.

FIRST SUNDAY DONATIONS

We all know the 'GOLD' items – the most popular and difficult to keep in stock at the food pantries to which we donate:

peanut butter, canned tuna/chicken, cereal, rice, cooking oil, sugar and flour.

Here's some other things you might not have thought of, beginning with **CAN OPENERS!** Spam, Vienna sausages, small canned hams, ramen noodle packs, microwave stews, macaroni and cheese bowls, individual cheese and cracker packs, fruit cups and shelf milk.

Foothill Unity Center also collects jackets, socks, razors, mini shampoo/conditioners, mini lotions, hotel soaps, toothbrushes, mini toothpastes/mouthwash, and mini deodorants.

You could donate spaghetti or pasta with canned sauce, hamburger or tuna helper, quart size zip-loc bags and plastic grocery bags, hot chocolate and Capri juices. These are all items they use to pack lunches for the homeless.
