PASTOR'S MESSAGE:

Greetings in Christ,

Our church was established in 1953 and we have been serving our God and our community since then as a family of believers. We know that we are proud of being a Church of Christ, which is belong to God. But our future as a denomination is not clear at this moment. We had a special general conference last February and there will be a regular general conference next year. Nobody knows what is going to happen to our denomination in the future. As a pastor, I really feel sorry for everyone, because I don't have clear vision for this time. But one thing I can say is that our church is God's church. Our God is our true shepherd, so He will lead us to the green pasture. That is my belief! I only focus on our church at this time, and I have faith that our church is okay no matter what happens to our denomination. Let us have confidence that our church is keep going for the bright future.

The relationship between CAF, Montessori School and PCC is okay now. They are partners of our ministry. I believe there are some good reasons why they are here on our church campus and sharing our facility together. 27 years ago, I had chance to attend a shared facility seminar, which was provided by annual conference. I learned a lot from that seminar. Shared facilities agreements are intended to allow multiple corporations to share various services and facilities. Shared facilities agreements, and disputes that arise under them, are not supposed to be about one party getting a benefit at another party's expense. That approach is a recipe for disaster and expensive legal battles. It is in the interests of all the parties to the agreement to work together to seek a reasonable solution to whatever problem arises. Thus, the most important thing is communication. We always have to learn from our past experiences and must try our best to help each other's benefit.

Now the annual conference is coming. With the theme of "I see a new church," the 35th Annual Session of the California-Pacific Conference of The United Methodist Church will take place from June 13th through June 15th - after pre-conference events on June 12, 2019. Well, I will see what I can do for our church. Please pray for our church and for UMC.

Your servant,

Rev. Sangman Shin, Pastor

LET'S PUT ON A SHOW!

That's what the Bridge Montessori kids did on Friday, May 31st.

They performed before a very appreciative audience – their families – singing songs and reciting.

Many wore shirts or costumes saying 'Little Dragon'. There's even a small dragon holding the flag in the foreground.

And you know how I feel about Dragons!

Did You Know?

On June 29, 1991, a 6.0 earthquake hit Sierra Madre at 7:43 a.m. – shaking up the San Gabriel Valley and causing about \$ 40 million in damage

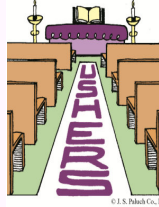

ONE YEAR LATER, at 4:57 a.m., the Landers earthquake struck the Mojave Desert with a magnitude of 7.3. Approximately three hours later, a separate 6.5 earthquake happened in Big Bear.

June 29th – A Shaky Day!!!
