A photograph of a city at night, likely Sierra Madre, California. The sky is dark, and several large, bright fireworks are exploding in the upper half of the frame. The city lights are visible in the lower half, with a prominent white archway in the distance. The overall scene is festive and celebratory.

**“The Lord looks down from his
heaven; he sees all humankind.
From where he sits enthroned he
watches all inhabitants of the earth”
Psalm 33: 13-14**
